

Mr. Nick Stearns
Temecula International Academy
Board Member at Large
Term Jan 21, 2020 - June 30, 2021

Mr. Nick Stearns joins our TIA Board of Directors with over a decade of educational experience with seven years of that in an administrative role. He is currently serving as a TK-8 School Principal in the Hemet Unified School District and prior to this served six years as the Principal of Santa Rosa Academy.

During his time at Santa Rosa Academy Mr. Stearns was the primary instructional leader and oversaw the school's state standardized test scores increase by 23% in English Language Arts and 12% in Mathematics. During his tenure at Santa Rosa he fostered steady growth with student enrollment increasing from 1,356 students to 1,607 students.

Mr. Stearns began his career in education with a 2007 Speech and Language Pathology emergency credential then served as a Specialized Academic Instructor prior to segueing into an Administrative role. He holds an Associate's Degree in Education, a Bachelor of Science degree in Human Performance and earned his Master of Arts in Teaching in Special Education through National University.

He currently resides in Menifee with his wife, twin boys, and daughter. He enjoys spending time with his family, sports (he was previously a high school football coach), and reading mystery fiction novels!

We are very happy to welcome him to our TIA family and if you have the chance ask him to share his unexpected connection to our school!
