

TEMECULA

INTERNATIONAL ACADEMY

July 10, 2017

Dear Temecula International Academy Parents & Guardians,

It is an honor to be your principal at Temecula International Academy. I am very excited to work with families that are looking for a small school environment which offers rigorous academic instruction, world languages, opportunities to take part in leadership, as well as teaching to the whole child: social, emotional, and academically.

I obtained my Bachelor of Science in Child Development from California State University of Fullerton. I completed my Masters of Education from Azusa Pacific University. I have been working in the field of education for 20 years.

I have had the wonderful opportunity to teach for supportive school districts that supported an integrated approach to teaching children. I have taught grades: Kindergarten, 4th, 5th, 6th/9th grade Science, 11th/12th Child Development, CAHSEE grades 10-12. Over the years, I have enjoyed being an ASB Advisor, Yearbook Coordinator, Cheer Coach, and have enjoyed participating on many committees throughout my teaching career.

I have also had the privilege of homeschooling my own children and have taught the grade span from Kinder to 12th grade. I became a member of the Charter community 11 years ago. I was very fortunate to work with parents and support them while homeschooling their own children. I love learning about new curriculum and have spent many years attending conferences and training staff.

Both my husband and I are in education and have seven beautiful children. Our youngest daughter and son both have always attended charter schools. We believe fundamentally in the mission and vision and truly love working in education.

This year, I will be beginning my 6th year in administration. I am very excited to be a part of our brand new school, and wholeheartedly can't wait to meet each and everyone of you. It is an honor to represent Temecula International Academy and to serve as the Principal of our wonderful school.

Sincerely,

Mrs. Gina Wickwire
Principal, Temecula International Academy
